Welcome & Getting Started

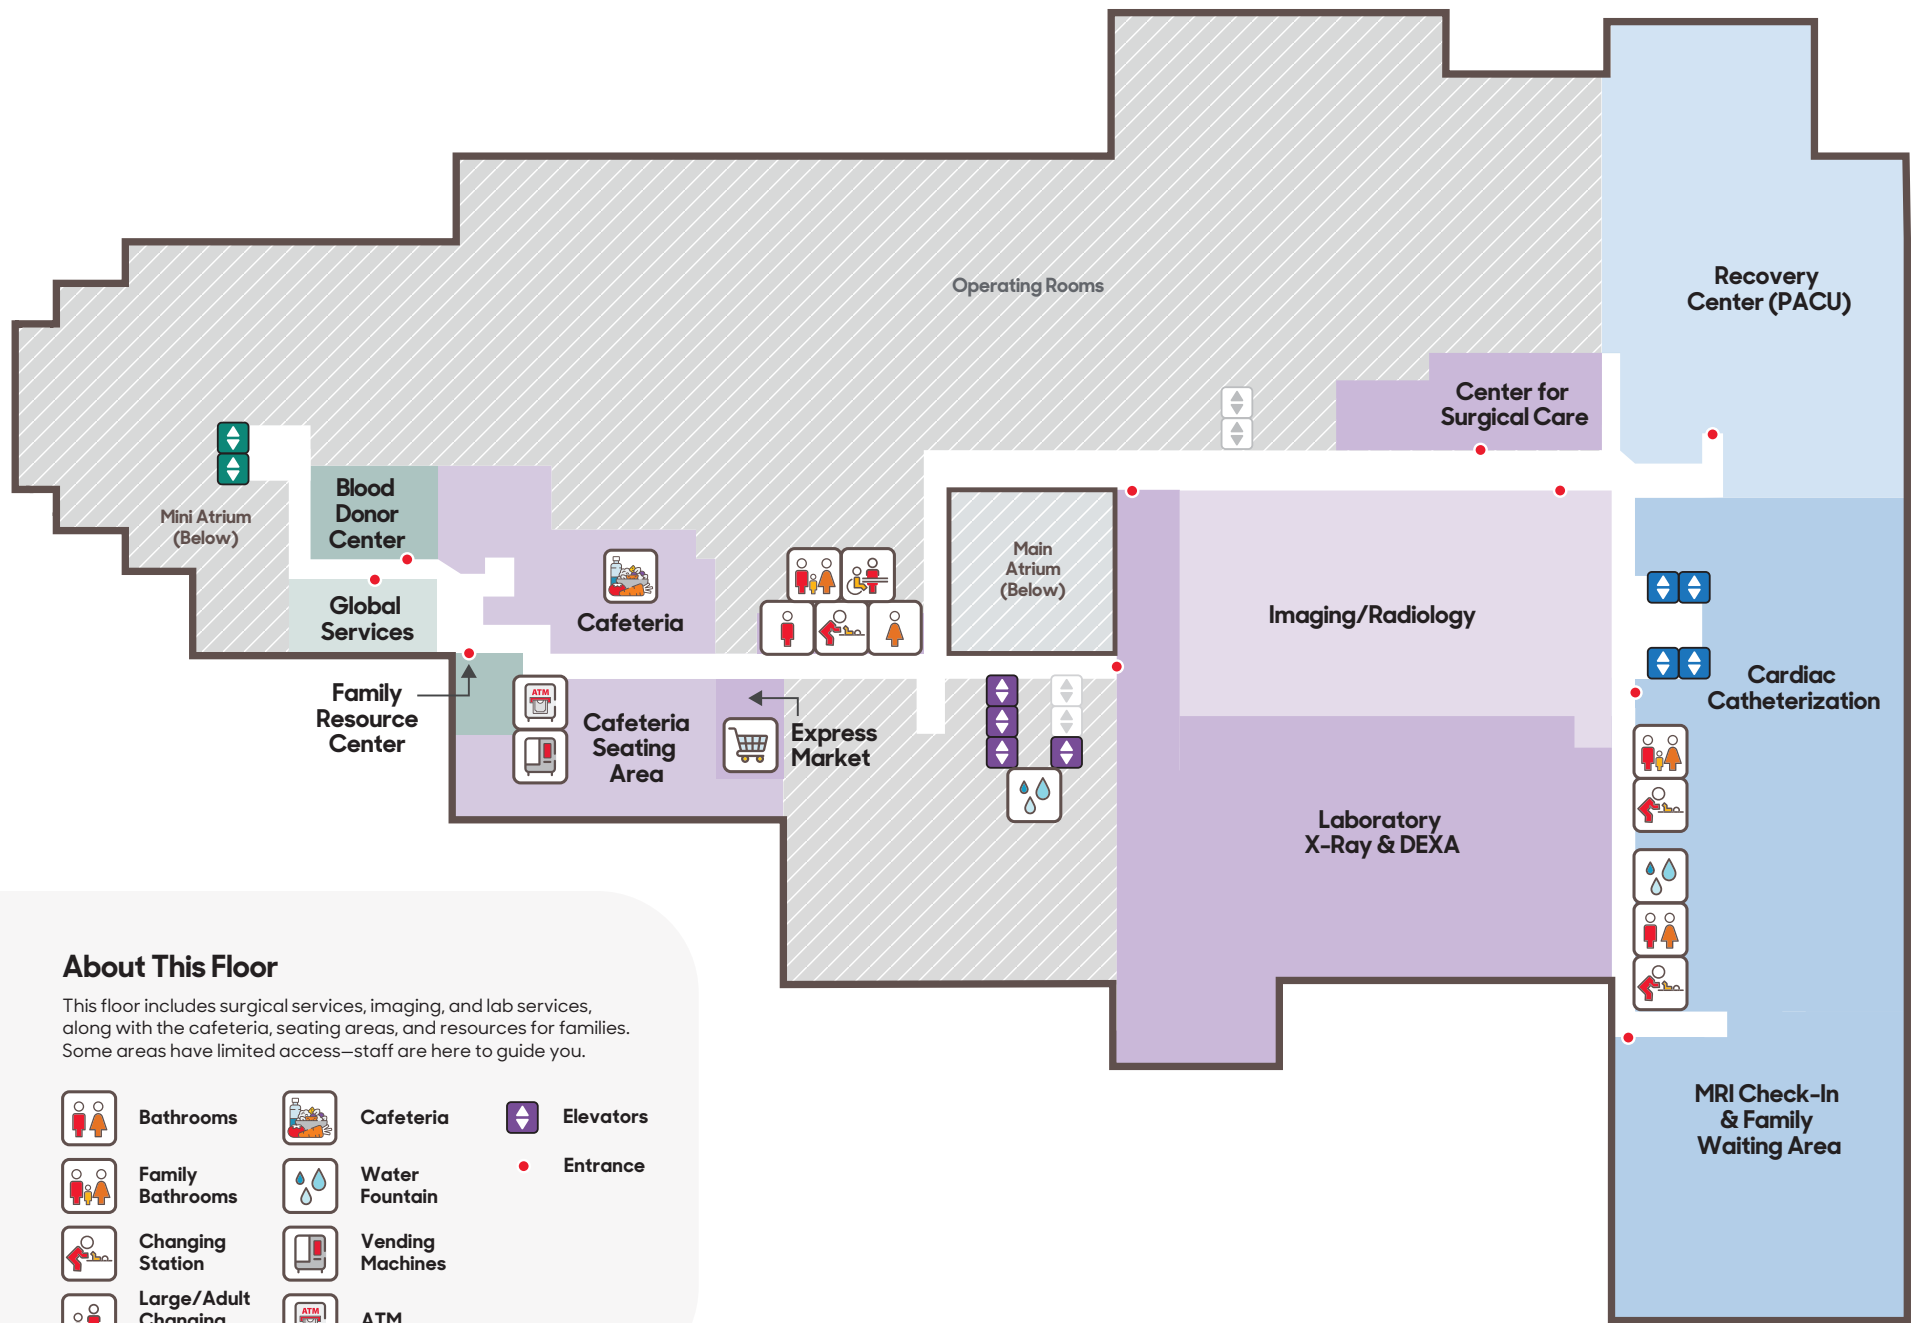

This is the main entrance and central hub, where you'll find welcome desks, admissions, the Emergency Department, and helpful services like the pharmacy, financial information services, and places to grab a snack. You will also find several clinics here. Find a wheelchair by either of the welcome desks for use. Visit the parking office for long-term garage passes or the welcome desks for validation discounts. Remember to bring a valid photo ID and to check in at a welcome desk before going to any locations in the hospital.
